Brief outline of what you intend to do or sell.

It is the intention of Dundee Westfest to ensure that the Opening and Closing Events offer its visitors the opportunity to sample Dundee West End's diverse cultural talents.

We offer local artist and craft workers the opportunity to take part in an Arts and Crafts Market. Artists and Craft workers from the wider area will also encouraged to take part.

There will be a limit to the number of Art and Craft stalls and food vans. They will be subject to the Dundee Westfest committee's discretion. We want to encourage people with different cultures and abilities to be involved while maintaining a high standard of work.

All pitches offer the vendor 2m x 2m space. Any vendor using more than allocated space beyond the 2 metres limit will be charged as an additional stand. Please consider this when completing the application form. Your stall area must be cleared away at the end of the event. All cheques should be made payable to Dundee Westfest and post back to Westfest, PO BXO 10103, Dundee, DD2 1SX. If you would like to discuss this please use the contact methods below.
